

**PLAY VIDEO {VIDEO NAME}**  
**WATCH VIDEO {VIDEO NAME}**

Begins playing the named video.

{VIDEO NAME}

The name of a video file in your collection, as displayed on the Amulet Video or Home Movies screen. If you give a partial name, Amulet will try and find the best match.

### EXAMPLES

WATCH VIDEO INTRODUCTION TO PHOTOSHOP  
WATCH VIDEO JOHN'S BIRTHDAY

**SHOW VIDEO {VIDEO NAME}**

Finds and displays the selected video within the Amulet video interface.

**DELETE VIDEO {VIDEO NAME}**

Permanently deletes the named video file from your Media Center. Amulet confirms your choice before the file is erased.
